WELCOME TO DONCASTER RACECOURSE

Doncaster is a Group One racecourse and home of the prestigious Betfred St Leger Festival. Steeped in history, Doncaster is one of the oldest established centres for horse racing in Britain, with records of regular race meetings dating back to the 16th century.

We host 37 Flat and National Hunt fixtures across the year including the Doncaster Cup (the oldest horse race still run under horse racing rules) first run in 1766, The Lincoln (British flat season opener) and the November Handicap (traditional flat season finale).

Doncaster is more than just a racecourse, renowned for planning and delivering corporate events and exhibitions, weddings, private parties and our infamous Christmas Live Party Nights.

To enhance your day at the races, take a look through our enclosed hospitality packages, designed to suit a wide range of budgets and requirements.

For atmosphere, excitement and sheer spectacle, a day at the races is a tradition that is hard to beat. We look forward to welcoming you to Doncaster Racecourse.

"I would like to take the opportunity to say a great big thank you to you and your team for making my day so very special on Saturday. Every part of the day was professional, the room set up was great and the food was delicious, a big thank you to the staff in our box who were all lovely. Everyone had a great day, we all thoroughly enjoyed ourselves."

Pauline

"Just a quick note to say that all our guests enjoyed themselves on Friday; we had a really successful day again. From me personally, thank you for all your help pre-event and on the day. Allan was fantastic, he ran our room very well and the whole day went very smoothly – can we book him to come back and host in 2025 please LOL. We also really like that room; it fits our party well in size and logistics."

Lynne

"I would like to take this opportunity to say a massive thank you, we had an amazing day, plus I won so that was a bonus! The food was lovely and the service of the staff we had in our box was amazing...the staff worked their socks off and nothing was too much trouble - a credit to your racecourse. Thanks again I am sure we will do this again."
